

John Henry Eaton to Andrew Jackson

Sunday. 15. Aug. 30—12. Oclock

Dr Genl.

I send you all I recd by the mail to day—The Choctaws will come—but as the Council does not meet till the 10th. no information is had when they will be here—No doubt the Choctaws & Chickasaws will arange to come together, and will perhaps not be in earlier than the 25—of this I may be able to advise you by the mail on Tuesday—

our Choctaw agent seems to be behaving badly—if so, we should get clear of him—I will keep you advised of all I get—The mail waits[.] yours
