I have time only for a line
or two before the mail starts

The enclosed letters show what
La Flores party will not come. The
disparities no doubt prevent. Patchland
party met on the 15th & I have full
confidence that party will come; & if so
La Flores, & Tubsons will come in self
defense. ~~Friday~~ Mail will more fully
explain - whatever the Cheaters I do
not expect we can do any thing with
the Cheaters, unless they find out
Foster who has just returned that they
will be located within the Cheater
County to the west

A letter from Col Reynolds dated at
Lawrenceburg yesterday (17) says the Cheaters
are set for on the 20th. They
will arrive here Friday morning -

I do not yours -
